On Saturday night, before a big campfire, each troop had 15 minutes to present a short program or skit. At 10 p.m. Mrs. Heifner had an astrology meeting where each troop could attend and learn about the stars.

Sunday was Scouts Omen and the girls could do whatever they wanted . . . hiking, picnic, campfires, cooking out and sleeping out for the first time was enjoyed by all. The girls returned home Sunday afternoon after a very pleasant week end.
